By its Petition dated August 2, 2012, Revel Entertainment Group, LLC d/b/a Revel ("Revel"), seeks from the Division of Gaming Enforcement ("Division") an amendment to its Casino Hotel Alcoholic Beverage ("CHAB") license to authorize service of alcohol to its leased beach area. For such use, Revel's leased beach area would be designated as a Type II CHAB location. On August 3, 2012, the City of Atlantic City ("City") has given approval to Revel for Revel to exercise its option within its lease with the City to serve food and beverages, including alcoholic beverages at portable bars, on Revel's leased beach area from 8:00 a.m. until 3:00 a.m.

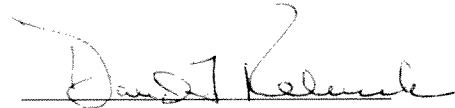

Having considered the relevant provisions of the Casino Control Act, *N.J.S.A. 5:12-1 et seq.*, I hereby ORDER that the request be granted with the following conditions:

1. Revel is to conduct the sale of alcohol on its leased beach during the hours approved by the City's lease agreement with Revel which is from 8:00 a.m. until 3:00 a.m. commencing August 3, 2012 until October 31, 2012.
2. Service of alcohol will be to guest of Revel and to the general public.

3. Revel is to conduct the sale of alcohol on its leased beach in accordance with the descriptions and representations contained in its Petition, including its security and surveillance plan.
4. Revel will comply with the terms and conditions set forth in its lease agreement with the City upon which agreement the City has based its approval.
5. All alcoholic beverages served at the beach bar will emanate only from the inventory of Revel.
6. Revel is to post signage on the beach, as submitted to the Division, prohibiting the removal of alcoholic beverages beyond Revel's leased beach area.
7. All alcoholic beverages are to be served at the beach bar in plastic containers or in open cans.
8. Revel will comply with all requirements attendant to Type II CHAB authorization, pursuant to *N.J.S.A. 5:12-103g(2)* and with all applicable alcoholic beverage laws and regulations of the Division and, as deemed applicable, the Division of Alcoholic Beverage Control.
9. Revel is to provide security for the beach service area in accordance with its security plan set forth in the petition.

10. Revel is required to obtain all necessary approvals from all other appropriate governmental agencies prior to commencing operations at the beach bar.

11. The Director of the Division reserves the right, based upon Division observations and information relative to Revel's operation of its beach bar, to reevaluate Revel's security plan for its beach bar delineated herein, and require changes to that plan, including an increase in the number of security personnel assigned to the beach service area.
